Dear Yin Fung Khong,

My sincerest congratulations to you and the members of the Tau Beta Pi Honor Society on the 50<sup>th</sup> anniversary of the California Kappa Chapter here at California State University, Northridge.

I understand Tau Beta Pi has a long and distinguished history representing student engineers and facilitating students' endeavors for professional growth and achievement within the field of engineering. Your chapter's current engagement with the CSUN campus community provides a wonderful opportunity for our students to build community and support one another in the pursuit of their academic goals. Being able to do so within an organization dedicated to fostering the distinguished scholarship and exemplary character of its membership is indeed a valuable resource.
