Dear Dean Johari:

On behalf of the Tau Beta Pi Association, I wish to extend our sincere congratulations on the 50th anniversary of the California Kappa Chapter at California State University, Northridge. Since the chapter's founding on February 17, 1968, a total of 1,191 California State University-Northridge students have been initiated into Tau Beta Pi. We are proud of Tau Beta Pi's affiliation with your university.

From the perspective of the administrative side of the Association, we recognize the efforts your chapter has devoted to enable the Association to "mark in a fitting manner" those students who have excelled at the California State University-Northridge. We are equally proud of their contributions to campus affairs and to the leadership and governance of our national Society.

Enclosed with this letter is a certificate that recognizes this important anniversary. We hope that you will present it to the chapter in appropriate fashion, perhaps at the next initiation ceremony or banquet.

In closing, let me again congratulate your chapter on this significant anniversary. We are quite proud of the work it has done. If you plan a special anniversary celebration, please notify me.

Sincerely,

Curtis D. Gomulinski  
Executive Director
